To Lisa,

To a very very special person. I want you to know that I love you just like a sister. I hope we can stay good friends & get even closer over the next two year that we will be going to school together. You know I'm gonna really miss seeing you over the summer. But I know that we're gonna have some more crazy years together at this crazy school. We have to get together & go to the beach or somewhere during the summer. Well sweetie have a kitchen summer.

Lots of
love,
Steph

TIMELY MESSAGE . . .

No one had "Time on His Hands" this year! With the President's visit in June, followed by a visit from the Superbowl Champion Raiders in February, this had to be one of the most magical and exciting years in Pioneer's history.

The students, staff, and parents can all be extremely proud of the school that became "the President's choice" and was identified as one of the finest in the country. It was a Titan team effort that achieved such an awesome accomplishment.

Our best wishes to graduating seniors for happiness and success in your futures. We hope that your experiences at Pioneer enriched your life and served to help you to continue to be a winner in the years ahead.

Era Of Excellence

Amidst the banners, the media, and roaring cheers, Pioneer basked in triumph as President Ronald Reagan personally presented Principal Bob Eicholtz and Superintendent Norman Eisen the first of 72 High School Awards for Excellence in Education. In the packed auditorium, honor students wearing distinctive red Omega T-shirts, administrators, and teachers beamed proudly when Pioneer was commended with the prototype of the Excellence in Education flag and a bronze scroll plaque. In the early part of the assembly, held June 30, 1983, Mr. Eicholtz enjoyed the honor of a standing ovation as grand as though he were the president.

The key to Pioneer's success has been the contributing efforts of the faculty, students, and parents, as well as the leadership of Mr. Eicholtz. Mr. Eicholtz once commented, "Parent involvement is incredible. We wanted to build a chain link fence around the school; instead, the parents voluntarily put up a beautiful wrought iron fence." Dedication, patience and concern are all blended into the Pioneer atmosphere. As quoted in the *Whittier Daily News,* "We give them very strict policies with loads of love, and the students love it," social science teacher Mrs. Sandy Thorstenson said. "Those policies don't cost money, and love doesn't cost money."

In perspective, the overall goal of Mr. Eicholtz and the faculty is for all students to leave Pioneer literate, responsible and self-confident. Developing interpersonal skills and sportsmanship, which may be achieved through extra-curricular activities, is also essential. In addition, counseling and career education guides students into making decisions and helps them to compete in the working world.

As stated in the *Whittier Daily News,* Reagan heaped praise on Pioneer High School, recently named one of the outstanding secondary schools in the country. "What I like about Pioneer is its pride. Teachers are proud of students, students are proud of teachers, both are proud of the principal and everybody is proud of the school itself. This pride creates a positive attitude for learning."

After speaking to the large crowd, Reagan took the time to visit with some students. He spoke to Mr. Dan Garcia and his summer reading class.

The president was on a cross-country campaign to draw attention to the need of making changes in the nation's education programs.

Pioneer, because of its exemplary status, was selected by the Department of Education as the site for the Second Regional forum on the recommendation of the National Commission on Excellence in Education.

The day ended with a mutual feeling of accomplishment.

In The Beginning . . .

Pioneer's campus was just another orange grove. It has now worked its way to the top, becoming one of California's exemplary schools. It embodies the ideologies of courtesy, friendliness, and scholastic excellence, and these traditions still remain today. According to Dr. Haines, the school's second principal, Pioneer has always had a personal touch. People joined together in activities, assemblies, and conventions, and the humanistic factor played an important role in their successes. The staff was willing to try new things, but they didn't refuse to care. Pioneer was built geared towards learning, and everything 'keeps getting better', but Dr. Haines admits that the "human factor is most important to me." Pioneer has prospered as a result, based largely on the personal atmosphere, which is extinct in most schools. Mr. Jines, the first principal, surmises that Pioneer now shows a greater parent/student motivation, has a fantastic faculty, a cleaner, more attractive campus, and greater interaction between parents, students, and teachers. In general, he feels Pioneer has more stability and a greater sense of pride - of course Pioneer has a great deal to be proud of.

During the 1950's, high schools were becoming overcrowded, due to the preceding 'Baby Boom'. A new school became a necessity; thus, "high school #6" was born. This school didn't have a name, mascott, or color, so a series of assemblies were held by the incoming students from Sierra, El Rancho, and Whittier to determine which would be chosen. We might very well be the Olympic Panthers now, or perhaps the American Titans may have been better, but these students voted for the Pioneer Titans, a wise choice indeed. How about colors? They might today be maroon/gold or cardinal/white, but they chose black/green, colors which are unique in our district. These were the original choices, and they have remained unchanged with the exception of adding white.

In the fall of 1958, Pioneer High School officially opened its doors to 900 students and 50 staff members. The school was still under construction with only 40% of the buildings that stand today. Some buildings didn't have windows or doors; others had no lights. The gym and stadium weren't built yet, and for the first three months of school, Pioneer went without showers or locker rooms. Landscaping seemed sparse with the sprinkling of trees and shrubs which dotted the campus. Early in the morning on opening day, the school remained untouched with three inches of sawdust covering the barren dirt quad and desolate buildings. Gradually, the quad started to fill with students. The atmosphere was friendly, supportive, and a bit uneasy, but filled with a sense of pride. Pioneer was the new school in town and faced many challenges, but these challenges were confronted with grace and style - this was definitely a school with class!

The academic courses offered were basically the same, but emphasis was placed on physics, chemistry, and math. Languages were very popular, and Pioneer offered Spanish, French, German, and Latin. Band, Drill Team, and theatre arts were also popular. Boy's baseball and basketball teams placed among the top of the league, and football drew much attention. Unfortunately, there was only one organized girl's sport-archery. However, the lack of girl's sports was made up for with 'Hijinx', now known as Titanette Review. This major event was exclusively for girls, and boys were banned from direction, rehearsal, and performance! The past was, indeed, filled with many wonderful things.

At present, Pioneer has received many awards honoring the school's academic and athletic achievements, and the future looks bright in continuing this tradition of excellence. These students believed in heading towards the future, not looking back on the past. The Titan rocket was launched on the same day the Titan mascott was adopted, and this added to the 'feeling' of becoming a school of the future; we choose to lead, not follow.

In his inaugural speech of 1961, John F. Kennedy addressed the nation: "Let the word go forth: the torch has been passed to a new generation of Americans." These pioneers grasped this torch and lighted the way to better things-

DEDICATION

Each friend represents a world in us, a world possibly not born until they arrive, and it is only by this meeting that a new world is born.

Anais Nin (1903-1977)
French/American Writer

On behalf of the entire student body at Pioneer, the Annual Staff takes great pride in dedicating the 1984 *Torch* to a person who has opened up new worlds for so many people.

This outstanding individual was born in Hastings, Nebraska and moved with her family to Long Beach, California when she was five years old. She attended Marymont Palis Verdes High School and then attended Cal State Long Beach. She did her graduate work at Loyola Marymont University and began teaching in 1961.

Her first teaching job was at North Junior High School in Downey. After North Junior High, she taught at Sierra High School. When Sierra closed in 1980 she came to Pioneer.

Since coming to Pioneer, she has been actively involved in numerous activities. She has been in charge of the Omega School program from its beginning in 1980. She has coached Pioneer's Academic Decathalon Team for two years and has been involved in having Omega School students appear on the PBS television show "Why In The World."

To her students she is always very loving, caring and kind. She tries to show students that they are special individuals and that they should be proud of their individuality.

When not teaching or helping her students, this special person spends time with her husband, Jerry, and their five-year-old son, Keesy. She is involved in the Dutch Community Magazine, AVIO. She is a member of her church's sixty-voice choir and is involved in the Sunday school program. She lectures for the Los Angeles County Museum of Art and participates in curriculum writing in the Whittier Union High School District Honors Program.

Mrs. Mary Kay Woudenberg represents an entire world in those who have known her. We are fortunate in having met her in a world possibly not born until she arrived.

SENIOR CLASS COUNCIL

The class of 1984 proved to have a lot of spirit and togetherness throughout the year. We led with pride during homecoming week and really got it together for a cleaner campus!

During the year the class council had such fund raisers as the Welcome Dance, selling carnations, pins, and stickers and the Sadie Hawkins Dance.

Not only were we successful financially but we have been successful in growing and maturing together. Our senior class has grown together for the last four years, developing special bonds that cannot be broken though we will go our separate ways. The friends we've made at Pioneer will always be held dear to our hearts, as Pioneer itself will. Being students in such an outstanding school has given us an extra advantage over other high school seniors. We, The Class of 1984, will be as awesome in our future lives as we have been at Pioneer High School.

Sincerely,

Elena Martinez

LIFE MEMBERS

Each year the California Scholastic Federation honors significant seniors on their academic accomplishments with life membership. By the end of the first semester 16 seniors achieved membership. In order to qualify one must have made C.S.F. four of the last six semesters in high school, including one in the senior year. To make C.S.F. one must receive a total of 10 points for semester grades, an A being worth 3 points and a B worth 1 point. The life members will be honored at graduation and will receive the prestigious C.S.F. Life Member Gold Seal on their diploma.

SADIE HAWKINS 1984

Howdy Partners! If y'all didn't get a chance to go to Sadie Hawkins this year ya shor did miss out. T'was the wildest hoe-down this side of Texas. Wacky couples got all slicked up for a fun filled evening of western entertainment that included square dancing and music by Unique Desire. When rustlers who attended were asked what they thought of Sadie Hawkins they replied, "It was much better than last year." "There was alot more club participation." and "Everything was put together well." Sadie Hawkins was presented by The Senior Class who did a fabulous job. Congratulations!!

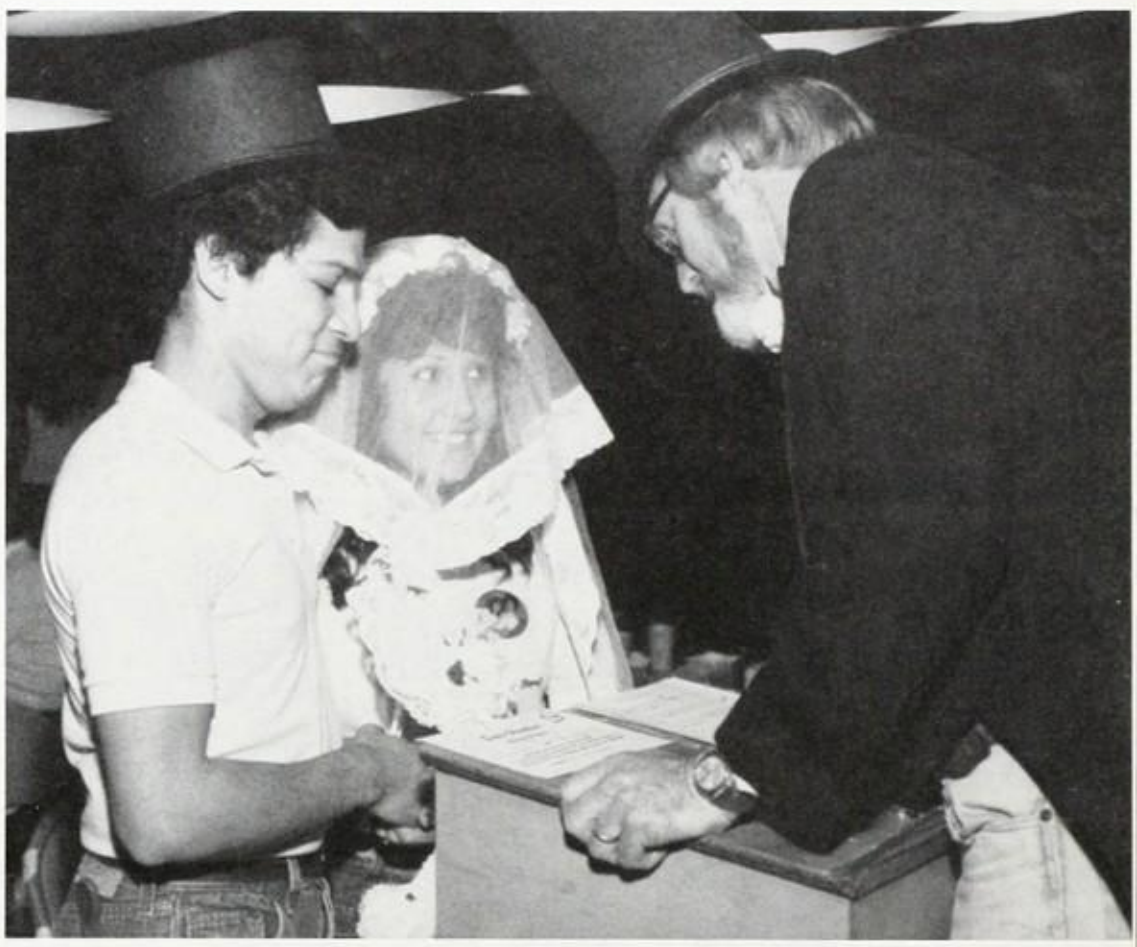
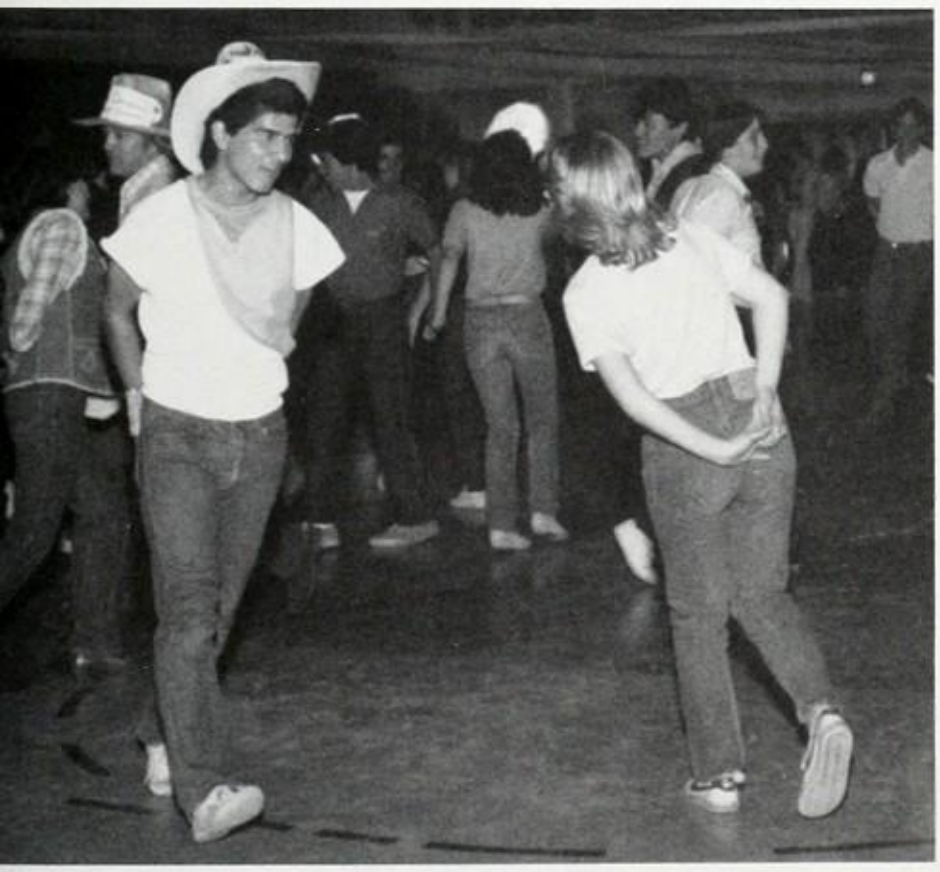
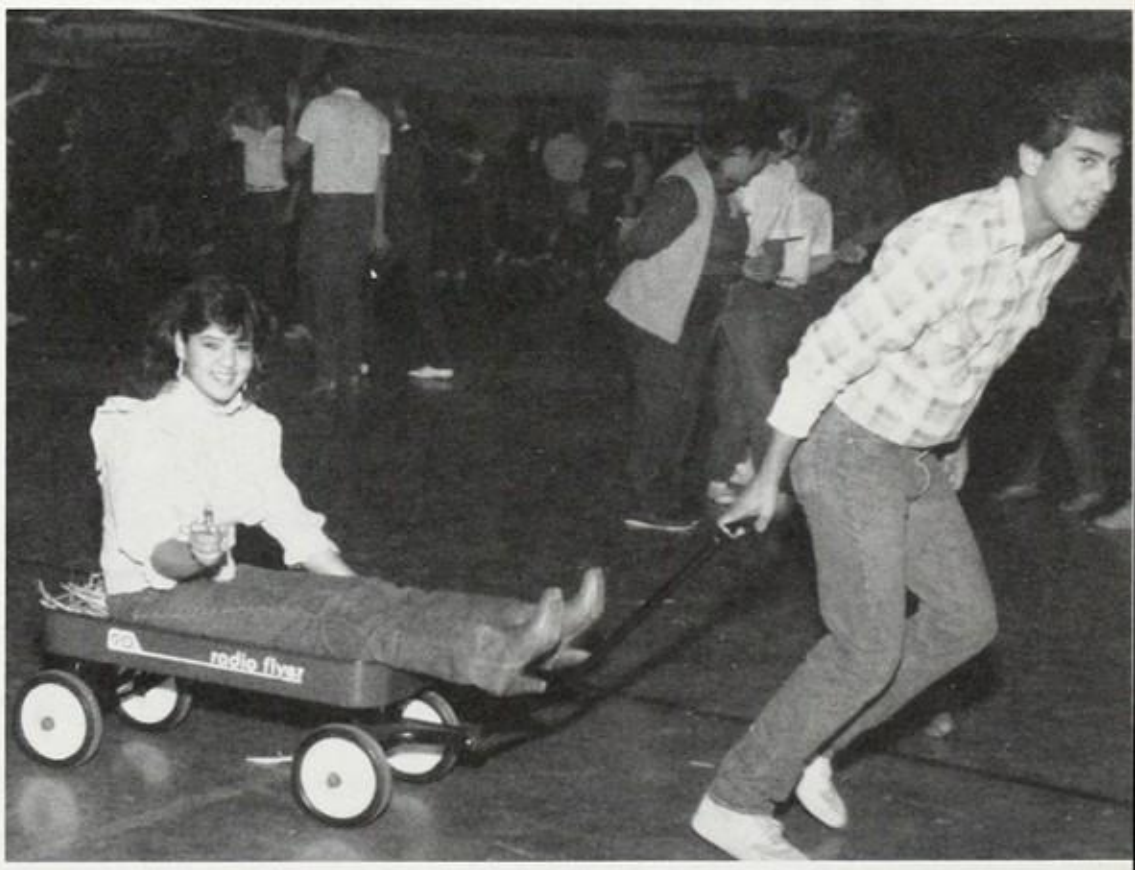
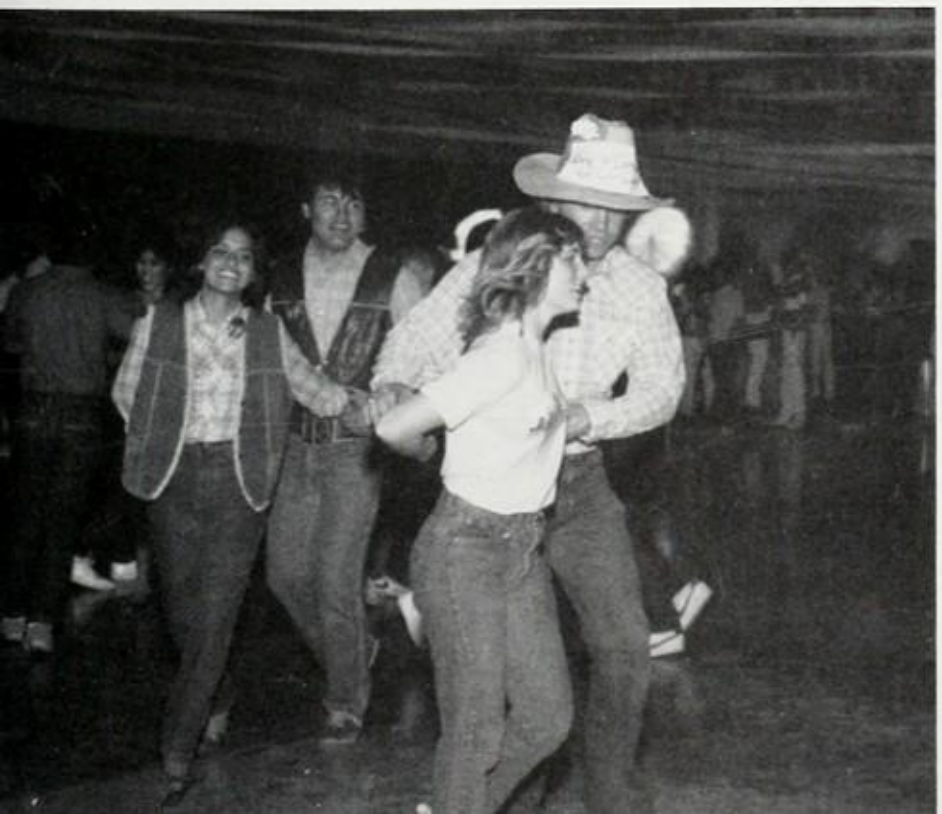
A MOMENT OF WESTERN WILDNESS









As I look back upon the '83-'84 school year many cherished moments are brought to my attention. A.S.B. cabinet sponsored many activities; remember how crazy the Homecoming week was, with all of it's rivalry and spirit, the noontime activities, the bands and D.J.'s that A.S.B. provided for you. Cabinet also sponsored the crazy K-ROQ dance, the luau, dress up days and a lot more happy times.

This year's Cabinet was one of the best that Pioneer will ever be able to brag of. They sponsored many activities and were very dedicated to the school as a whole.

Pioneer's Student Body Congress and Senate served as vital and active role models as student leaders and legislators. A.S.B. cabinet had a willingness to serve and learn, and I love all of them in a very special way.

As the school year comes to a close I leave you with a special request. If Pioneer is to continue it's tradition of being an examplary school then the student leadership must continue to be outstanding. That can only happen if students dare to get involved and try to make changes that will brighten the school and lives of it's students.

MOTHER DAUGHTER DESSERT

The mother daughter dessert was a success, just as it has been the preceding years. The board sold approximately 500 tickets at $2.00 a person. Pictures were sold of mothers and daughters also. The money raised came to a total over $1200.00.

The program consisted of a demonstration by Mr. Dominic of Dominics Hair Design School. Also included in the program was Georgette Leal who gave an excellent presentation on personal color coordination. Special thanks to Boys League members who helped out, and Advisors V. Isenberg, G. Griffen and D. Goodman.

THE AUDITION

From the grand stage of the Pioneer cafetorium, drama students, prompted by Mrs. Karen Lawrence, portrayed both realistic and comitic stereotype characters of their own inventions. On Friday, December 16, viewed by an appreciative audience, actors projected a variety of interesting people who were each vying for a role in a make-believe, up-coming stage production.

The director, exuding a blend of audacious authority and bored cynicism, critically surveyed every audition. Bringing realistic depth and emotion to their cameos, the students captured their audience and kept them wishing for more. Vibrant, with their own unique styles, this creative group showed polished professionalism in the highly entertaining "Audition".

TRIBUNE

Christine Senteno

The 1983-84 News Staff was both dedicated and painstaking throughout the year. Under the advisory of Harry Robertson, issues of the *Titan Tribune* were faithfully distributed each month. With the guidance of Christine Senteno, editor, and Rochelle Siganoff, assistant editor, each subsequent issue showed improvement. Many events, such as Academic Decathalon, Pioneer's 25th Anniversary, and President Ronald Reagan's visit, contributed toward a successful newspaper. Feature editor, Bernadette Perez, also contributed greatly to the paper as did Brent Armenta, who supplied photos. Richard Morales drew cartoons for most issues. The combined efforts and fast pace of the staff kept Titans well informed.

Expanded Horizons is a program funded by the district. Bertha Figueroa and Luis Hernandez are director and assistant director, respectively. Always on the go, they plan student activities, with an emphasis on college preparation. Presnetly they are in the process of forming a parent advisory group.

Chapter One is a federally funded organization that identifies and works with target students. Danny Garcia, Tom Moll, Lane Leidig, Bertha Figueroa, Elizabeth Solis, June Salomon, and Lily Sahagun make up this year's staff. They pull out students from classes they're having trouble in for additional instruction.

On a planet long, long ago, in a land not too far away in the mind, an idea was born . . . it was the belief that excellence as an ideal could be sought after, and that some could achieve it.

They were to be chosen from the many if they could rise above the few . . . if they couln't reach for the top, they had to at least want to stretch for it.

ACADEMIC DECATHALON

On November 19, 1983, 40 schools from the greater Los Angeles area, came to Pioneer High School to participate in the Academic Decathalon. The Decathalon was a truly exciting event; students competed in ten academic areas.

Pioneer's team consisted of: Francisco Locsin, Laura Malvaez, Carolyn Schleiden, Melissa Dominguez, Paul Shackleford, Brenda Podemski, Brenda Contreras, Yvonne Nevarez and Steve Nichols. Mrs. Woudenberg, Pioneer's team coach, was quoted as saying "It was exciting to see so many young people competing in an academic challenge for a change rather than a physical one."

Pioneer's team members placed in the following events:

Francisco Locsin-First Place, Speech
Melissa Dominguez-First Place, Interview
Brenda Podemski-First Place, Fine Arts
Brenda Contreras-First Place, Interview
Steve Nichols-First Place, Speech
Steve Nichols-First Place, Fine Arts

VARSITY YELL TAKES THE TIME TO DO IT RIGHT!

Young and fresh is the way one could describe the 1983-84 Varsity Yell Leaders. In spite of having only two returning members, and only one being a senior, they managed to sweep Hibbard's Camp by taking three first place awards. Throughout the year their spirit and enthusiasm never let down. They cheered at various sports events and performed in assemblies and pep rallies. Whether striving to uphold their winning tradition or cheer the teams on to victory this seven member squad never let go of our Titan Pride.

VARSITY SONG

The 83-84 varsity song leaders had a very active and successful year. Led by Gina ValVerde and Tina Bird the squad cheered for sporting events and performed for assemblies and other activities. Aside from this the song leaders attended cheerleading competions. They took first place at Jamboree, an accomplishment that hadn't been achieved in many years, and were anxiously awaiting the Southern California Cheerleading Competition. This squad has kept up the reputation of Pioneer that makes Titans proud.

AHEAD OF THEIR TIME

83-84 VARSITY FLAG

The Varsity Flagsters started their year by practicing all summer. Their practice paid off when they received 3rd place at Hibbards Cheerleading Camp. When the 1983-84 school year started, the flagsters' spirit was seen supporting many sports and school related activities. At the competitions that they have attended, the judges complimented their routing highly and scored it very generously. They like to refer to themselves as the FLAGSISTERS because they have grown closer to each other through cheering and twirling.

TREASURED MOMENTS

The sensational 1983-84 Junior Varsity Leaders are nothing less than fantastic! At summer camp the J.V. Yell took third place. These young ladies helped to strike up the spirits for our junior varsity teams and in assemblies they really made us cheer. The squad was superb on every occasion. These energetic girls are a compliment to our school!

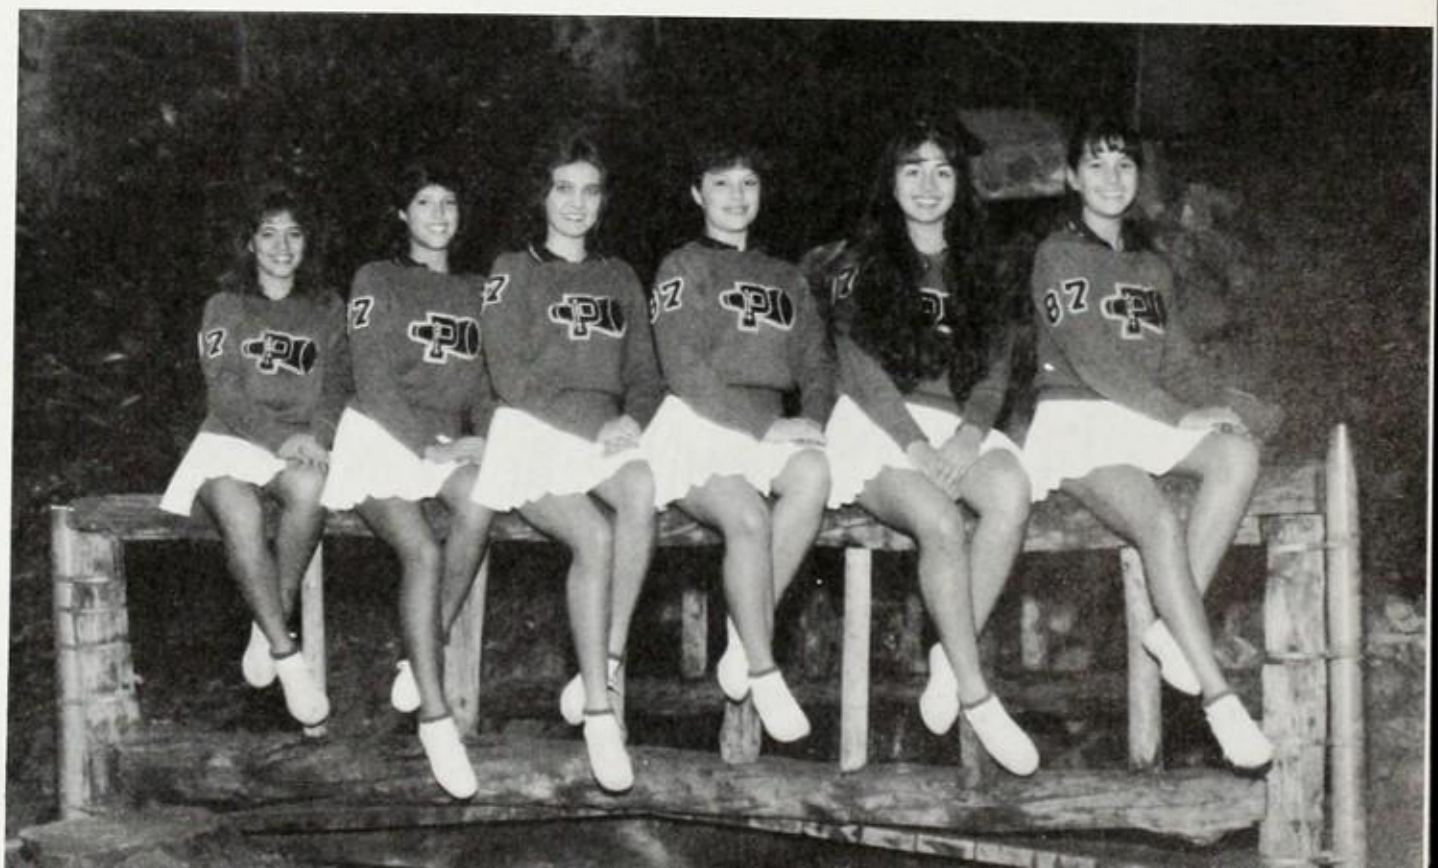
TIME FOR FUN

The 1983-84 Freshman Yell Leaders were a determined, tenacious group and it all paid off! The squad promoted the Freshman Class. Awesome is truly the word that can describe this year's Freshman Yell Leaders. They showed pep and spirit in their performances at assemblies and games. We are assured of remaining Number One, with girls like these!



TIME IS GIVING THE BAND THE EDGE

The Mighty Pioneer Titan Band has put in many hours of practice and hard work this year. Thursday night practices as well as many hours of studying and memorizing music has paid off in fine performances, discipline, and pride. The band has performed at various parades in Artesia, Santa Ana, West Arcadia, Chino, Whittier and Oceanside where they scored 92.1 out of 100. The band's future looks even more promising than it does now, since most of it's members are first year students. In a year or so these members will have the experience to move this band up to the zenith of perfection. But only time will give the band the edge.

Pioneer is known nationwide for a combination of academic, athletic and artistic achievements. A contributing group on campus is our dynamic Titanette Drill Team. This year's team had a membership of 83 girls. Under the direction of Ms. Marilyn Littlefield and assisted by Ms. Tamara Peterson, they have received major awards at various So. California competitive parades and competitions. Other highlight performances include The Titanette Review Dance Production, Drill Team U.S.A Competition, Disneyland Performance and the L.A. Dodger Game Performance. In addition, they participated in activities such as, halftime shows, assemblies, tree sale, candy and cookie sales, jog-a-thon and car washes. This outstanding corp of drillmasters have the honor of being selected to perform in the opening and closing ceremonies of the 1984 OLYMPICS. Finishing a spectacular year, the Titanettes are also preparing for a major performance tour to Washington, D.C.

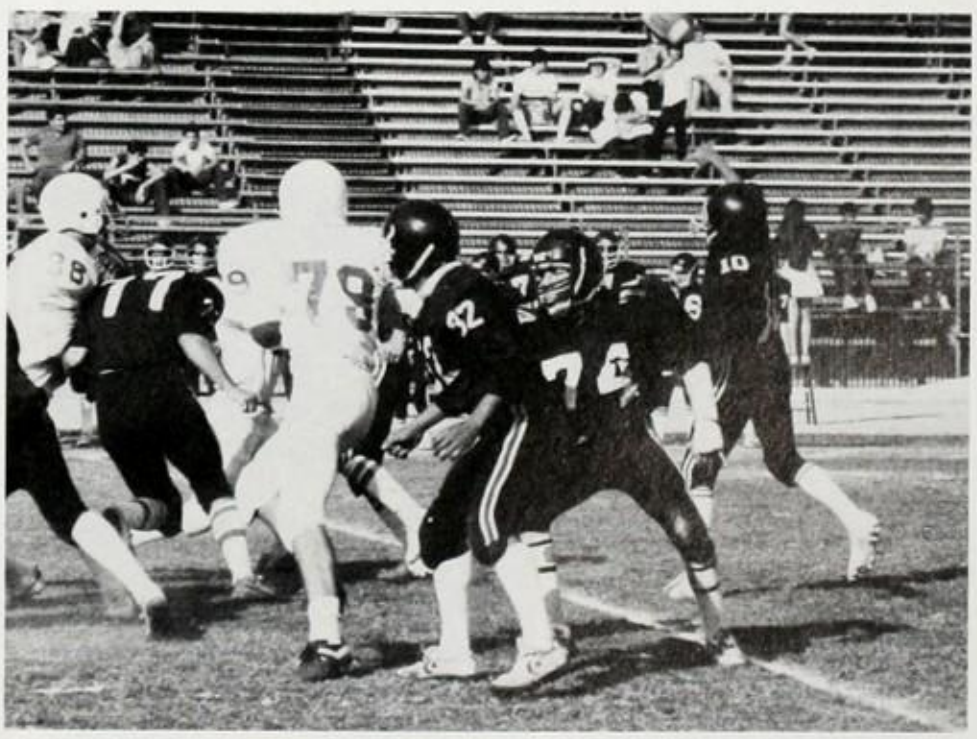
BEST OF THEIR TIME.



Titan basketball had a fine season with a 7-7 record in league and 11-11 overall. Although they lost 7 games in league, 6 of them were lost by less than 5 points. During pre-season, they won consolation champs at the Valley Christian Tournament and third at the Pioneer Tournament.

The Titans always played a very challenging and exciting game, which showed in their last victory against El Rancho. This win knocked the Dons out of post-season play. After this game, the team ended the season on a high note, by cutting down the net and lighting the torch.

Pioneer had many talented players including Frank Rivas and Tom Michael, who each made all-league. Another potential all-league player, Phil Porras, was sidelined in the second league game. Though this year's team had the talent it lacked consistent play. The Titans should be a top contender next year, with 6 returning players, including 3 starters.

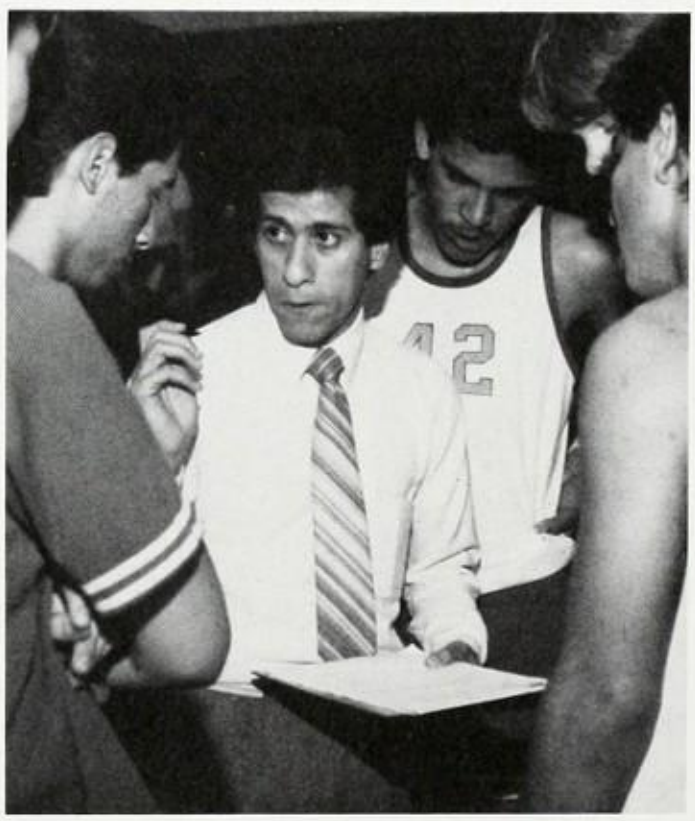
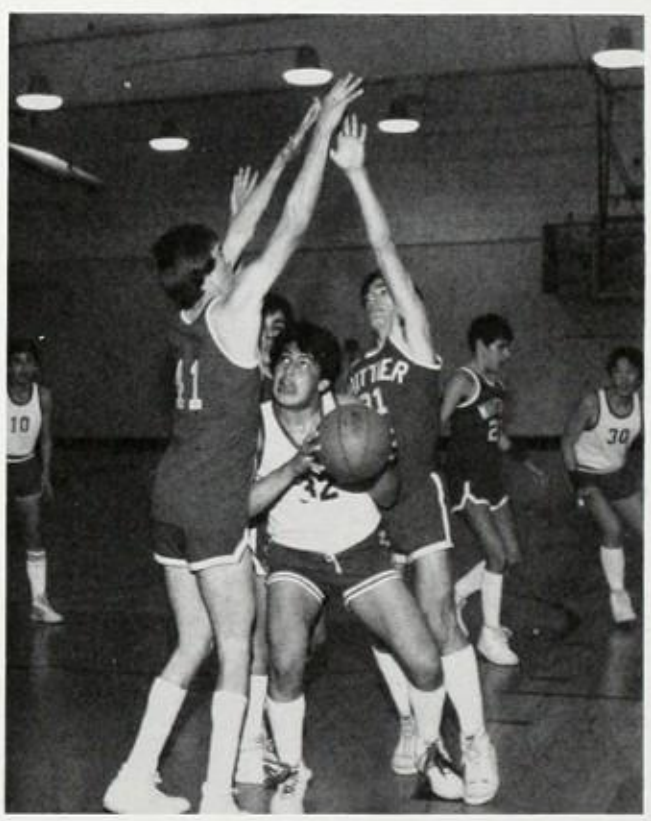
J. V. BASKETBALL

The 83-84 J. V. Basketball team finished with a 6-8 league record. Coach Espinoza was quite pleased with this years team, especially with the enthusiasm shown by all the players. He felt that all players had improved in one area or another since the beginning of the season and is anticipating the return of several players to form the nucleus for next years team.

S. Casillas, M. Hernandez, A. Tse, D. Garcia, S. O'Brian, B. Fernandez, R. Fregoso, M. Giron, D. Acosta, I. Arguello, J. Torres, Coach Espinoza, M. Gutierrez.





FRESHMEN BASKETBALL

The freshmen basketball team, under the coaching of Mr. Roman, ended their season with a 5-10 record losing 5 of 10 games by four or less points.

The highlight of the season was a consolation championship in the Downey Tournament. The young Titans played well showing sportsmanship and hard work throughout the entire season.

The Titan Express rolled through a season of slumps and summits but always with pride. Though many members were new and inexperienced, the team's and Coach Lopez's dedication insured a 3rd place finish. Other triumphs include placing in tournaments at Artesia (3rd), El Dorado (6th), El Rancho (7th), and the Frosh-Soph victory at Artesia. Eight members qualified for C.I.F. including League Champion Doug Gismondi who placed 2nd while also being voted MVP at Eldorado and Artesia. With such talent we can expect a championship team in the future.

At the time of publication, the outcome of the team's scores were unknown. The team was expected to do quite well since they were Whitmont League Champs for 1983.

Coach Gonzales was very patient with his team and worked with each player individually. The team had a few advantages. Most of last year's champs returned this spring. Another advantage for our team was Jerry Red, who was named M.V.P. of Whitmont League for 1983.

"The 1983-84 Girls Varsity Basketball season ended on a positive note with a 74-24 victory over El Rancho. This gave the team an 8-6 league record and a share of fourth place. The team's overall record was 13-10.

This year's team has been on a rollercoaster season, hitting highs and lows along the way, but never really maintaining any consistency. The girls worked extremely hard to blend the juniors and seniors together as a unit, but just fell short.

The high point was defeating Diamond Bar with the team's best effort of the year, 53-34, winning the Consolation Championship Trophy. The low point was finishing fourth in league and not qualifying for the C.I.F. playoffs by just one game after finishing the first round of league with a 5-2 record and a share of second.

This year's team can be very proud of their efforts since 9 to 10 losses were to teams that made the C.I.F. Play-offs," said Coach Bergenthal.

Joann Krohn and Linda French made the All-Tournament teams in the Gahr and Wilson Tournaments, respectively. At the time of publication, the girls selected for the All-League Team were not announced.

JV BASKETBALL

"In your face!" was a familiar shout heard during the J.V. Girl's Basketball practices. With Coach Garcia's cheerful out-look, the girl's spirits were never down for long. Led by Captains Liz Red and Julie Hernandez, the girls ended up with a 6 and 8 league record.

"We never quite jelled, which was partly due to the number of injuries and sickness-s throughout this year. This kept us from reaching our goals. I think that individually, many of the girls learned basketball skills and strategies. Overall, they were an interesting group to work with and it was an enjoyable season," said Coach Garcia.

WHITMONT LEAGUE CHAMPS

The Girl's Varsity Volleyball Team completed a fantastic season by capturing the Whitmont League Championship for the first time in Pioneer's history. Led by Jean Flores, M.V.P. in the Whitmont League, the team finished the season with a 12-2 record and a berth in the CIF playoffs. Through hard work and excellent direction from Coach Bergenthal, these ladies placed third in both the Artesia and California/La Serna tournies, which proves that the long hours of practice paid off. The season ended with a spectacular match against So. Pasadena which lasted two and a half hours with So. Pasadena finally wearing down the much smaller Titans 15-12, 12-15, 16-18, 15-6, 15-12.

JUNIORS

The Junior Class has been very devoted to raising money during 1983 and 1984. They held profitable candy and carnation sales, along with the ever popular spirit ribbons which were sold during the football season. All of the money earned went into the Jr.-Sr. Prom, which was held at The Proud Bird on April 7.

DISTRICT ADMINISTRATORS

Dear Parents:

It is our pleasure to educate your sons and daughters in the Whittier Union High School District. We believe that they are receiving the finest education possible.

We are proud of our accomplishments in many areas:

1. Our schools are among the SAFEST in the nation.
2. State TEST SCORES ARE EXCELLENT in Reading, Mathematics, Written Expression, and Spelling.
3. President Reagan personally visited Pioneer H.S. to honor it as ONE OF THE FINEST HIGH SCHOOLS in the United States.
4. ATTENDANCE CONTINUES TO IMPROVE as it has for the past three years.
5. Our BILINGUAL PROGRAM continues to put many previously non-English speaking students into the mainstream of American life.
6. GIFTED AND TALENTED PROGRAMS for high ability students are in full operation at every school.
7. LABOR RELATIONS ARE OUTSTANDING. Teacher morale is high. Our teachers were on duty and in great spirits at the opening of school, unlike some other districts which continue to be faced with controversy and threatened strikes.
8. ATHLETICS AND ACTIVITIES programs are in operation at all schools.
9. Standards for excellence in HOMEWORK, ATTENDANCE, and DISCIPLINE are more rigorous and demanding than ever.

We are committed to high standards in our drive toward the achievement and maintenance of excellence.

VICE-PRINCIPALS

The Administrative Staff at Pioneer High School has been of great help to the students and faculty. Due to proposed budget cuts in August, the school was forced to go on a five period day instead of six. But they were able to implement a schedule which included an A and Z period to facilitate students' meeting their requirements, while allowing time for extra-curricular activities. Such activities included Drill Team, Pepsters, News Staff, Annual Staff, and Sports. Thanks to Mr. R. Torres, Business and Activities, Mr. J.C. Low, Curriculum, and Mr. D. Rock, Guidance, the 1983-1984 year has been a dynamic and prosperous one.

COUNSELORS

We are really fortunate to have such a dedicated counseling staff. They are there willing to help with any problem that may appear. This year they took on the challenge of the variables of A and Z periods.

BOOSTERS

Our boosters have done an outstanding job and have given big contributions for our activities. They gave over $20,000 to sports, Omega School, Pepsters, Band, and other activities. The money they donated came from Bingo, which was held every Tuesday and was not only supported by Pioneer's faculty but also by the student's parents. The Booster President is Mr. Angel Munoz and the coordinator is Mr. Richard Torres.

HANDS ACROSS THE WATER

Each Spring, a group of students from Yamanashi Gakuin High School in Kofu, Japan come to visit Pioneer. In turn, Pioneer students visit Yamanashi each summer, and at Pioneer this cultural exchange is sponsored by the International Club. Besides learning about Japanese and American culture, this exchange brings students from different countries together, showing we are all alike no matter what color, religion, or nationality a person is.

Lisa,
I wish I would have met you earlier in the year, cuz I think your really cool. We could have done some heavy partying together. I hope we do alot of that this summer. I am totally ~~out~~ whipped out on Ray, I hope we work out together or whatever. I hope everything works out with you and Rob Bonaventura.
We all are gonna do some heavy buying, you, me, and Debbie - it will be rad.
I hope you get everything you want out of life. try to stay out of trouble. try to get good grades. →

Will hope we get Ottmars party all planned and I hope its cool. He deserves it. Plus thats a good excuse to party. Me, you, and Debbie just cant get busted anymore, cuz that blows all our party plans. Well, I'm really glad I met you, and I hope we stay friends for along time. We got to go to the beach alot this summer. Well good luck, and party hardy. Friends Forever.

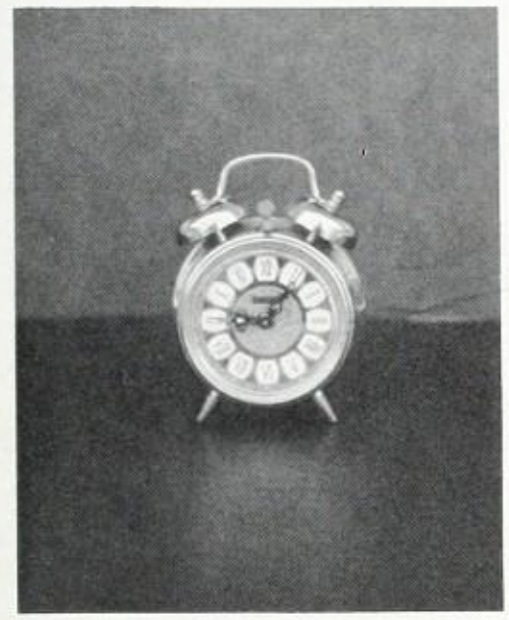
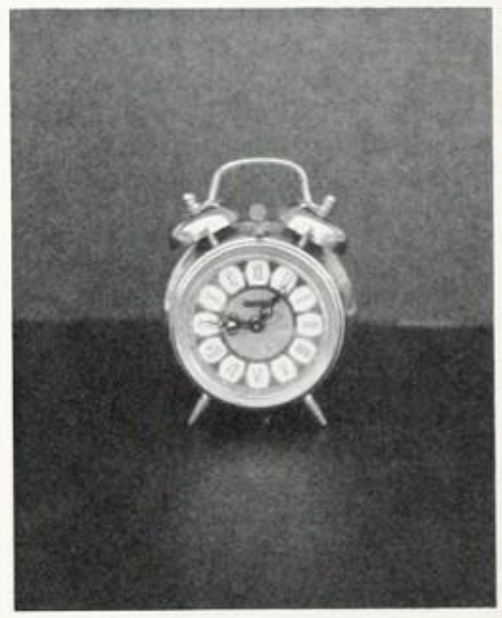
WINDING DOWN





Another year has come and gone, it's time to hit the sand again! Yet it's not just the end of another year and this is not just another annual. It's a very special yearbook for the senior class because it is our last one at Pioneer. We also commemorate the school's Silver Anniversary. As the clock ticks away, our graduation has finally arrived. You might be saying to yourself, "It's about time!", but think for a second; hasn't it all been worthwhile? Haven't we united in friendships that will last us a lifetime? Although we are now looking forward to what life holds in store; look back, for a second or two, at these unforgettable past four years.

Try to think back in time . . . to September, 1980. It's the first day of school and boy are you nervous! There is a strange feeling about this inviting yet unfamiliar atmosphere. You look around hoping to find a familiar face. You find yourself amidst a crowd, asking yourself, "Who are these weirdos with the cowboy hats and dyed ducktails?" But it doesn't take too long to acquaint yourself with these new found friends. Hey, you're fitting in! The year rushes by and we're listening to the sound of Styx, Devo, and Blondie. Remember how we suffered through cafeteria food day in and day out for an entire year? Girls, remember finding yourself with eyes wide open as the Drill Team strutted and maneuvered through "Another Cha Cha" not realizing that by the end of the year you were going to be a Titanette!

After getting trash canned and all the other good things that come along with being freshmen, we somehow managed to make it to our sophomore year. We were no longer either QV or OP, like our freshman year; everybody was now GQ. Yes, everybody was preppy, wearing funny little animal shirts and the designer jeans that had "the look." And who can forget the, "grodie to the max," Valley Girl craze, those troublesome "egg babies," and our first driver's license.

But as we glided through our junior year, we got into more "heavy" stuff like E.T., MV3, and the Stray Cats. Valley Girls were now Buffalo Gals as tables turned and dancing was in again. There were some very special moments, too. Many of us were getting our own car and our first Varsity letter. Drill Team received Sweepstakes at Jamboree, Flagsters took first at Miss Drill Team USA, and our wrestling team deafeated Santa Fe for the league title. We received a special visit from Richard Blade as he D.J.'ed our first KROQ dance. We also started on our journey to becoming one of the exemplary schools in the nation, which culminated with a visit from President Reagan; what an honor! What a way to end our junior year and what a great way to begin our senior year!

Our senior year we blew everyone away! We were hot! Homecoming week was outrageous! Remember that late Thursday night when we came and bombarded the school with toilet paper and plastered up wall to wall posters? Furthermore, it was all done in a clean and fun way with no destruction to our campus. We then set up our own senior section and wore our prestigious hats and shades. At the assembly we waited anxiously for the winners of the spirit chain. In fourth place . . . the freshmen, in third place . . . the sophomores, well, it's either the juniors or us! In second place . . . the juniors! Wow, we beat them! (And by a mile, too!)

The year was just one fantastic moment after another. All the frenzied and frantic work paid off at the Academic Decathalon as we swept away 7 awards. Our volleyball team took the league championship for the first time! Pepsters dominated the Magic Mountain competition again, taking 2nd place. In the past four years they have taken the championship twice, and never won less than second place. And Drill Team was invited to perform at this year's summer Olympics! There was the exciting music of macho men Michael Jackson and Boy George and the ultra feminine Annie Lennox, the new British Invasion, funk, videos, and break dancing. Flashdance and mod fashions were the latest rave as we catapulted through a year of wild and outrageous fads.

Although it was a year to remember it could have been far better had one of our finest teachers not fallen ill. Mr. Robert Spindola, a kind and caring person, had to take a year's leave due to a serious illness. Pioneer wishes the best of luck to Mr. Spindola and looks forward to his return next fall.

As the year comes to a close now, and we, the awesome class of 1984, prepare for departure, we shed a tear for all the good times we've had and all that we've been through. Through all our mad escapades, from class calls to protests for senior privileges, we've always kept ourselves in a close huddle, never allowing anything to interfere with our unity. As from a deep sleep we awaken now from what seems only a far away dream where the biggest worries were who to ask to the Prom and hoping you'll get to class on time. Yet it was all real and we all went through it together. All these treasured moments are over, yet they still live on between the pages of this annual; the cornerstone of your memories. In our last minutes as seniors, we'd still like to know, "Where's the beach!"

See ya!

BEST FRIENDS . . .

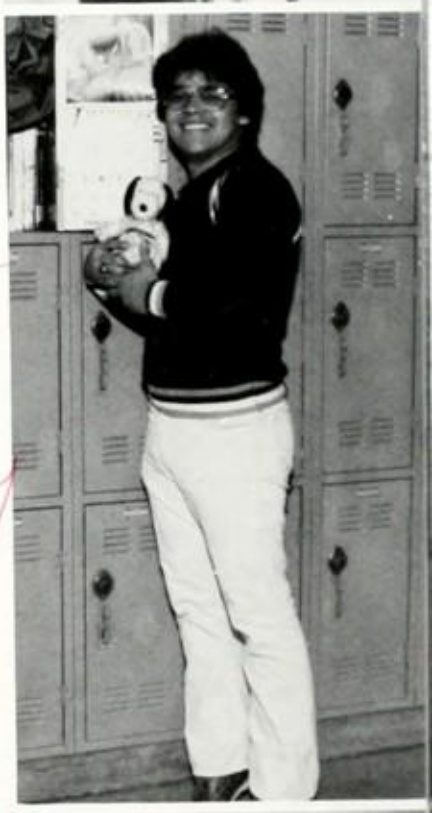
Reserved For debbie.

To Mrs. Bonaventura:

To the most; radical, funloving, party animal, fry brain, sex pervert, I ever met, except for me when I look in the mirror. We've had some pretty rad times, from the short time we've known each other. Just think of all the rad party scenes at my house and especially the rad sexually activities. We have to start planning are summer festivites. Like going down to Sundance and see that guy Jimmi. But personally I'm satisfied with Otmar, I consider him my little honey-bunny. I think it would be radical to go out on a double date with Bob & Otmar; this is gonna be one of our projects for the summer. Now Lisa try to stay away from those nasty drugs now. If not we'll have radical summer.

P.S.
Hate to be the one to tell you this but "187" is gonn KICK ASS!!

Best friends
Debra Lecke



ARE FOREVER

TO USA:
WELL I HOPE
YOU HAVE A CRAZY
SUMMER BUT DON'T PARTY
TOO MUCH. I HOPE YOU'VE HAD
A FUN TIME AT THIS SCHOOL.
I'M GLAD WE ARE GOOD FRIENDZ BECAUSE
YOUR A VERY NICE PERSON. GOOD LUCK
IN THE YEARS TO COME.

FRIENDZ 4/EVER
YVETTE M.

TO LISA:
Hows everything
going. Well, hope
you have a wild Summer
which, I know you will.
But don't party so much. Or
you'll never make back next year.
Hope you had a crazy time this for
Year. Cause, sure did. Thanks for
so cool. Stay Pretty
See ya next year.

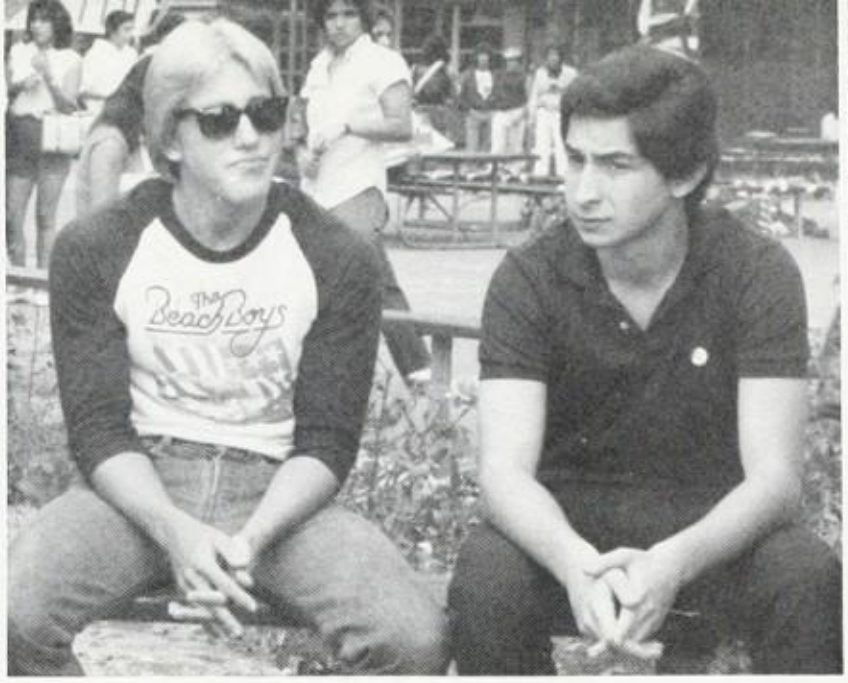
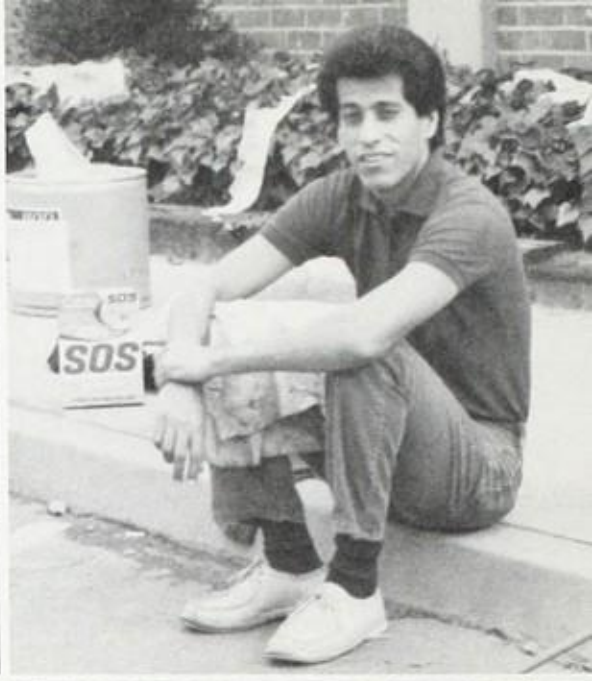
'84-'85 DRILL TEAM YEA!!





My Van Halen Bud. Remember

To my little Sista
Even though I haven't seen known you very long I feel pretty close to you. I period was an awesome time even though you weren't normally there. We partied pretty good on Senior Bitch day. And don't think I won't be here next year to party with. We are gonna totally go crazy. Because I'll have money. You have a special place in my heart. It to really gonna be hard for me leaving all my special friends here. You've got to take care of Paula for me. Well I better go before I cry.
Thee Awesome Senior

To Lisa

Lisa you made it throgh this year with out getting kicked out of this school. you told me you got Kick out because you thought. But here you didn't, Because everybody likes you. Because your a cool person. I hope you liked it here, and Hope I see ya next you. Because your fun to talk to well, what about your crazy party when you got Fucked up and feel off the diving board and you got hurt. and your baby. How is He, don't let your Friends teach him any bad words so you won't have to hit him. Well Lisa it was nice knowing you and you because your a cool person and a panty animal. Have fun in the sommer and don't panty to hard so you could balance yourself next time you go off a Diving Board Okay.

Mrs. D. Phillips

Infinite Thanks: To Mr. Don Sanford and his staff (for all our great pictures and especially for the Presidental coverage.) also Larry Galvan, John Humphreys, Mr. Jack Jines, Brent Armenta, Tom Guerrero, James Leal, James Rafferty, Mrs. Jan Nall, Mr. Frank Thompson, Eleanor Padilla, Elena Martinez, Beryl Bankerd.

To: lisa, a cool chick I met this year. It's been radical having you in ΔΔΔ P.E. picking on all the clinging chicks, and telling off Terry that was the funnest. Well the has finally come to an end, but we still have are summer to have somemore radical times like this year. Have a radical party hearty summer and don't fry to much, but just have a batchen time and enjoy life with your friends.
